Notice of Allowance

This is the Notice of Allowance for application number 10/676,924 Door Hook with Hinge, filed on 10/1/03. Claims 1, 3-17 are allowed.

Election/Restrictions

Claims 1 and 10 are generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claim 4, 5, 11, 16 and 17 are directed to the species of II-VII and are no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim.

In view of the above noted withdrawal of the restriction requirement as to the linked species, applicant(s) are advised that if any claim(s) depending from or including all the limitations of the allowable generic linking claim(s) be presented in a continuation or divisional application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 44 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claims 18-33 have been cancelled.

Authorization for this examiner's amendment was given in a telephone interview with Lynn Alstadt on 2/1/06.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The applicant has argued that the Harvey reference does not show all the elements of the claims, specifically arguing that the hinge element in the back side of device such that the hook member is pivotable in a direction toward the front side from a first position to a second position in which the second hook is substantially parallel to the back side of the inside surface. This is persuasive and the reason for allowance is that the above limitation was not found in the prior art.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Any inquiry concerning this communication should be directed to Amy J. Sterling at telephone number 571-272-6823. The examiner can normally be reached (M-F 8 a.m.-5:00 p.m.).
